Have you ever seen a Hazard Map?

We learn about disaster prevention every year in our afterschool program. We found out that people from foreign countries are left behind in the event of a disaster due to lack of information.

Therefore, we decided to hold a disaster prevention seminar co-sponsored by the Crisis Management Division in Tsukuba City Hall. At the event, we will show foreign residents how to protect themselves from flood damage.

We are elementary school students in Tsukuba and also belong to Kids Creation, which is an English after-school care. We will do our best to explain in English. Please come and visit us!

皆さんは、ハザードマップを見たことがありますか?

私たちは毎年恒例の防災学習を通して、外国人の方は災害時、情報が行き届かず取り残されてしまうことを知りました。そこでつくば市危機管理課と共催で、つくば市に住む外国人の方に向けて水害から身を守る方法をご紹介しますセミナーを開催することにしました。英語学童保育に通う小学生の私達が、一生懸命英語でご説明します。是非いらしてください!
